705.01 COAL HAULING PERMITS.

- (a) No person, firm or corporation shall haul, or cause to be hauled any coal in any type of vehicle whatsoever over and across any street or alley within the City which is not a State highway without first obtaining a permit to make, or cause to be made such haul from the office of the Treasurer.

- (b) To obtain such permit, any person, firm or corporation desiring to haul, or cause to be hauled, coal over and across the streets or alleys of the City, which are not State highways, shall complete an application form provided by the Treasurer, which application form shall show the following information: specific location of haul; name all streets; size and gross weight of loaded vehicles to be used; estimate as to length of time hauling will be done; any other pertinent, specific or general information desired by the Treasurer.
