(Passed 8-25-09)

951.05 COLLECTION PRACTICES.

- (a) Frequency.
 - (1) Residential. Refuse accumulated by residences shall be collected at least once a week, weather permitting.
 - (2) Commercial. Refuse accumulated by commercial establishments and institutions shall have daily, twice-weekly or weekly collection, as may be required. The frequency of collection shall be based upon the average need of the commercial establishment or institution and shall be agreed upon by the Department of Waste Collection and the subscriber. However, where necessary to protect public health, the Department shall have the authority to require more frequent collections.

- (b) Limitations on Quantity of Refuse.
 - (1) Residential. The Department of Waste Collection shall collect refuse of each family or residential unit during a collection period, provided the same is properly prepared, for the standard charge set forth in this article. The Waste Department shall collect a reasonable accumulation of refuse, which shall be no more than two or three containers and must be an approved container, as specified in 951.04(c).
 - (2) Commercial. The Department of Waste Collection shall collect a reasonable accumulation of refuse of commercial establishments and institutions during the collection period at a fair charge based upon the average number of thirty-gallon cans per collection during the collection period, at the rates set forth in this article. The Department shall have authority, when necessary to protect public health, to require the collection of larger amounts and increase the charges, according the rates set forth in this article. No pick ups will be made for items not enclosed within the approved containers.

(c) Collection From Other Than Normal Collection Points. Where the collection of refuse from other than the curb line of the street or alley from which collection is made is agreed upon by the Department of Waste Collection, the fee shall be that established for normal collections, plus each additional fee as may be set by the Department to cover the cost of the extra service.

(d) Payment: Disposition of Funds.

- (1) All rates and charges provided in this article shall be paid monthly or in advance, except those fees and charges for commercial, industrial or institutional services where the Department of Waste Collection makes some arrangements for payment.
- (2) All moneys paid to the Town for the services provided in this article shall be received, accounted for in the general fund of the Town and paid out as required by the Mayor and Council.

(e) Delinquent Accounts: Collection of Unpaid Charges. All accounts not paid within fifteen days of the date of billing shall be considered delinquent. The Town may proceed for the collection of a Municipal claim.

(f) Rates for Special Services. The Department shall have the general authority to fix rates or fees for special services not otherwise provided for; provided such fees shall be commensurate with the services performed.

(Passed 9-20-77)

(g) Rates for Additional Pickups. The Department shall have the general authority to charge Commercial, Industrial or Institutional customers for additional pickups, if needed. This additional pickup will be an occasional occurrence and will not take the place of needing a dumpster or needing a larger dumpster, if necessary.

The following rates will be charged for each additional pickup during the month:

2 yard container	\$25.00
4 yard container	\$45.00
6 yard container	\$65.00
8 yard container	\$85.00

As stated in 951.06 (b), the container must be of sufficient capacity. If the Department feels the present pick-ups are insufficient, the Business location will be contacted to make arrangements.

(Passed 8-25-09)

(h) Mandatory disposal; proof required; penalty imposed. Each person occupying a residence or operating a business establishment in this state shall either (I) subscribe to and use a solid waste collection service and pay the fees established therefore or (II) provide proper proof that said person properly disposes of solid waste at approved solid waste facilities or in any other lawful manner. The Director of the Department of Natural Resources shall promulgate rules pursuant to chapter twenty-nine-a of this code regarding an approved method or methods of supplying such proper proof. A civil penalty of one hundred fifty dollars (\$150.00) shall be assessed to the person receiving solid waste collection services in addition to the unpaid fees for every year that a fee is not paid.

(Passed 8-25-09; orig. passed 5-13-97)

951.07 RECYCLING PROGRAM.

(a) Established. There shall be established a recycling program for the Town of Nutter Fort, effective August 1, 1993. This recycling program will provide for the manner in which collections shall be made, specifications for those items to be recycled, and a schedule of days and hours for collection.

(b) Rules and Regulations. Council may make rules and regulations providing for recycling that will not be in conflict with any State or County law or any contract between the Town and the recyclables collector. Council will also choose the hauler who will collect the recyclables.

(c) Fees. There will be a fee of two dollars (\$2.00) per month per customer, as defined by the utility monthly billing. This fee will be collected and deposited and books will be maintained by the Town.

(d) Recyclables.

- (1) Items to be recycled shall include, but not be limited to aluminum and bi-metal cans, steel beverage and food cans, plastics Nos. 1 and 2, corrugated paper, cardboard, newspapers including inserts, and magazines.
- (2) The following recyclable items may be placed in the recycling bin or plastic garbage bags: aluminum beverage cans and bi-metal cans, steel beverage and food cans, plastics Nos. 1 and 2, newspapers including inserts, and magazines.
- (3) All Customers of the City/Town must participate in the recycling program under the same terms as laid down by the collection of regular household garbage, except for the following rule: All recyclables must be placed at the front curb for pick-up. This will allow for a more cost-efficient collection. Failure to participate in the recyclable program will be a violation of the law mandating recycling, and will result in loss of garbage collection by those who fail to participate. (Passed 8-24-93)
- (4) Recycling will be collected as specified by this department and may be changed if necessary.
(Passed 8-25-09; orig. passed 8-24-93)
