

**ARTICLE 952
Fuel Surcharge**

952.01 Established.

952.01 ESTABLISHED.

One dollar (\$1.00) shall be added as a surcharge to each residential and commercial garbage customer to be billed monthly and placed on their utility bill. These fees will be listed on the bill separately and will be deposited into the General Revenue and Waste Accounts.

After one year from the date of this enactment, a review of this account will be made and Town Council may, at their discretion, make a decision on whether to maintain or amend this surcharge.

The new surcharge will go into effect immediately following a public hearing and the passage of the second and final reading of this ordinance.
